

For 2017 we are once again oversubscribed, but we have accepted 92 riders for the series. Giving preference to affiliated club riders.

We have used this approach for the last 5 years and it has been very rare that have affiliated riders not been given a place on the night.

When this does occur and we are full e.g. more than 80 affiliated riders turn up and sign on. We will ask for volunteers to step down. If no one volunteers we will pull numbers out of a hat I repeat this rarely happens but if so the riders will be given a refund for that night and will not asked to miss another nights racing.

The rider/riders will also be awarded average Road Race League points to compensate their missed race.

If any of you are not happy with this and wish to remove your entry please let us know and we will give you a full refund. Hopefully you will stay with us.

Remember organising clubs on the night cannot ride that event, holidays, work, illness etc. usually mean we are safely accommodating the riders that turn up and we have accepted all affiliated club riders.

Man thanks for your entry. We are looking forward to another successful series.
